

OFFICE OF THE ATTORNEY GENERAL
STATE OF ILLINOIS

KWAME RAOUL
ATTORNEY GENERAL

December 17, 2019

To: All Tobacco Products License Holders

Tobacco Products License Holders include distributors, retailers, wholesalers and manufacturers who have an "Illinois TP License." A TP license allows a business to sell tobacco products, including roll-your-own (RYO) tobacco (i.e. any tobacco which, because of its appearance, type, packaging, or labeling is suitable for use and likely to be offered to, or purchased by, consumers as tobacco for making cigarettes). Anyone who has a TP license **MUST** file a "Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands" each quarter with the Office of the Illinois Attorney General whether or not they have any sales of RYO tobacco. **If you are receiving this letter you are required to report.**

The Tobacco Products Manufacturers' Escrow Enforcement Act of 2003 provides that the only RYO tobacco products allowed to be sold in Illinois are those manufactured by (1) MSA Participating Manufacturers, or (2) Compliant Non-Participating Manufacturers. Both the manufacturer and the brand must appear together on one of the Directories. **The sale of all other RYO tobacco products is prohibited and may result in the suspension or revocation of a TP license, criminal prosecution and additional legal action.**

You are required to fill out the enclosed form, "Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands" and file it with our office quarterly, **together with the Distributor Quarterly Report NPM Sales and Inventory Information (Dist-1) and copies of all purchases and sales invoices**, according to the schedule below. This report is to include sales of RYO product made by manufacturers not participating in the MSA. The Attorney General Rules require that the form be filled out completely. The license holder must also indicate whether or not they pay the Illinois Tobacco Products Tax (OTP Tax) for each brand listed. You may provide a computer report of the RYO sales, but you **MUST** also provide the information in columns a-f on the quarterly report form.

If you have no sales of RYO product which are manufactured by non-participating manufacturers, please write "None".

Write your license number in the upper right box and provide your address and contact information on the Distributor Quarterly Report. You must provide our office with an e-mail address. An updated listing of participating can be found at www.IllinoisAttorneyGeneral.gov by clicking on "Tobacco" and then on "Illinois Directories." No information needs to be included on the form as to these manufacturers. **Please return the completed form and copies of all purchase and sales invoices prior to January 20, 2020.** Quarterly Reports are due according to the following schedule:

Quarter	Date Range	Report Due
First	Jan. 1 - Mar. 31	April 20
Second	Apr. 1 - Jun. 30	July 20
Third	Jul. 1 - Sept. 30	October 20
Fourth	Oct. 1 - Dec. 31	January 20

Also enclosed is the Distributor 2019 Quarterly Report of PACT Act Transactions, which all **out of state licensed distributors are required to complete.** Please return the completed form, with any attachments, prior to January 20, 2020.

Enclosed are copies of the following:

Distributor Affidavits for 2019 and Future Sales

Cigarette and OTP Distributors: Included in the 2019 fourth quarter mailing is an affidavit for cigarette distributors and all licensed OTP distributors who filed quarterly reports in one or more quarters in 2019. All licensed cigarette and OTP distributors were required to complete the affidavit and return it by January 20, 2020. The Cigarette Distributor Affidavit includes an addendum for reporting cigars classified as cigarettes in Illinois in 2019. Cigars that are not considered to be cigarettes are also reported on the affidavit. **Please review the instructions and definitions for the cigars to which the addendum applies.**

Cigarette and OTP distributors will be required to complete a similar affidavit for 2020 sales and should retain adequate records to complete future affidavits. Each year an affidavit is included in the fourth quarter mailing and must be completed on or before January 20 of the following year. Any licensee who cancels their license in 2020 will still be required to provide a 2020 affidavit.

Little Cigars Classified as Cigarettes for Tax Purposes

Illinois legislation requires "Little Cigars" that meet the definition outlined in statute to have the tax paid at the same rate as cigarettes. Our office has included questions on the annual distributor affidavits regarding the brands and quantities stamped with Illinois excise tax stamps as well as those for which the tax is paid at the cigarette or OTP rate. Distributors that sell little cigars in Illinois must retain documentation, including the purchase and sales invoices, and make it available to the OAG upon request. In particular, our office requires distributors to confirm the amount of cigarettes sold with the Illinois tax stamps as well as the amount of little cigars sold with Illinois tax stamps. **All cigarette license holders must complete the enclosed Little Cigar Affidavit.**

NPM Sales and Inventory Information

Included in each quarterly mailing is a form that distributors, which report sales of NPM brands on the Distributor Quarterly Report of Non-Participating Manufacturers' Brands, **MUST** complete for each brand family. In addition to the purchase and sales invoices that distributors have been required to provide each quarter, this form allows the distributor to document the beginning inventory, quantity purchased, ending inventory and sales to the other states of any brand families that are stamped for sale in Illinois or for RYO on which the OTP tax has been paid. Distributors are required to maintain and make available to the Attorney General all invoices and documentation of sales of all NPM cigarettes, including RYO, and any other information relied upon in filing quarterly reports, for a period of five years. **The submission of invoices or computer reports showing sales of NPM product in Illinois does not relieve the distributor of the duty to complete the distributor quarterly report and to list the information in columns a through for each brand family.**

Prevent All Cigarette Trafficking Act

Under the Prevent All Cigarette Trafficking Act ("PACT ACT"), individuals and businesses **outside of the state of Illinois** that sell cigarettes, RYO and smokeless tobacco products must file reports with IDOR no later than the 10th of each month that include a memorandum or copy of the invoice covering *all shipments* of cigarettes into Illinois during the previous month. To register, contact the Illinois DOR. In 2019, PACT Act reports must be submitted in addition to the quarterly report of NPM sales. Enclosed in the quarterly mailing is the Distributor 2019 Quarterly Report of PACT Act Transactions.

What's Banned

The only cigarettes which can be stamped and sold in Illinois are those manufactured by (1) MSA Participating Manufacturers, or (2) Compliant Non-Participating Manufacturers. Manufacturers and brand families appear together on the Illinois Directory of Participating Manufacturers or the Illinois Directory of Compliant NPMs.

The stamping and sale of all other products are prohibited.

Manufacturers and brands NOT listed on the Directory of Participating Manufacturers or on the Directory of Compliant NPMs may NOT be sold in Illinois.

Illinois Directories

The Illinois Directory of Participating Manufacturers and the Directory of Compliant NPMs include brand styles that have been certified under the Cigarette Fire Safety Standard Act as well as brand families certified as being in compliance with the Tobacco Product Manufacturers' Enforcement Act of 2003. In order to be lawfully sold in the state of Illinois, both the manufacturer and the brand family, as well as the brand styles, must appear together on one of the directories.

Directory changes requested by the Fire Marshal under the Cigarette Fire Safety Standard Act are included in Illinois Changes Under the Cigarette Fire Safety Standard Act. This document is posted on our website and should be consulted for additions or deletions of brand styles under the Fire Safety Standard Act.

New Tobacco Related Laws

In the latest legislative session various bills that were all, or in part, nicotine or tobacco related were introduced. One bill that was passed by the legislature and signed into law by the governor was Public Act 101-0031 which deals with taxation of e-cigarettes and other vaping devices as well as expands who must be licensed by the Illinois Department of revenue to sell such devices. **Licensees have mandatory reporting requirements and failure to report can result in the revocation of your license and ability to sell certain products in Illinois in addition to other civil and legal remedies.** If you have questions regarding whether you must be licensed contact the Illinois Department of Revenue. For the full text of the bill and to see all changes see the General Assembly's website, www.ilga.gov.
