What's Banned

Manufacturers and brands NOT listed on the Directory of Participating Manufacturers or on the Directory of Compliant NPMs are NOT to be sold in Illinois.

The stamping and sale of all other products are prohibited.

Distributor Affidavits for 2023 and Future Sales

Cigarette and OTP Distributors: Included in the 2023 fourth quarter mailing is an affidavit for cigarette distributors and all licensed OTP distributors who filed quarterly reports in one or more quarters in 2023. All licensed cigarette and OTP distributors are required to complete the affidavit and return it by January 20, 2024. The Cigarette Distributor Affidavit included an addendum for reporting cigars classified as cigarettes in Illinois in 2023. Cigars that are not considered cigarettes are also reported on the affidavit.

Please review the instructions and definitions for the cigars to which the addendum applies.

Each year an affidavit is included in the fourth quarter mailing and must be completed on or before January 20 of the following year. Any licensee who cancelled their license in 2023 will still be required to provide a 2023 affidavit.

Little Cigars Classified as Cigarettes for Tax Purposes

Illinois legislation requires "Little Cigars" that meet the definition to have the tax paid at the same rate as cigarettes. Our office has included questions on the annual distributor affidavits regarding the brands and quantities stamped with Illinois excise tax stamps as well as those for which the tax is paid at the cigarette or OTP rate. **Distributors that sell little cigars in Illinois must retain documentation, including the purchase and sales invoices, and make it available to the OAG upon request.** In particular, our office requires distributors to confirm the amount of cigarettes sold with the Illinois tax stamp affixed as well as the amount of little cigars sold with Illinois tax stamp affixed.

All cigarette license holders must complete the Little Cigar Affidavit.

NPM Sales and Inventory Information

Included in each quarterly mailing is a form that distributors, which report sales of NPM brands on the Distributor Quarterly Report of Non-Participating Manufacturers' Brands, **MUST** complete for each brand family. In addition to the purchase and sales invoices that distributors have been required to provide each quarter, this form allows the distributor to document the beginning inventory, quantity purchased, ending inventory and sales to the other states of any brand families that are stamped for sale in Illinois or for RYO on which the OTP tax has been paid. Distributors are required to maintain and make available to the OAG all invoices and documentation of sales of all NPM cigarettes, including RYO, and any other information relied upon in filing quarterly reports, for a period of five years. **The submission of invoices or computer reports showing sales of NPM product in Illinois does not relieve the distributor of the duty to complete the distributor quarterly report and to list the information in columns a-f for each brand family.**

Prevent All Cigarette Trafficking Act

Under the Prevent All Cigarette Trafficking Act ("PACT ACT"), individuals and businesses **outside of the state of Illinois** that sell cigarettes, RYO and smokeless tobacco products within Illinois must file reports with **IDOR** no later than the 10th of each month which includes a memorandum or copy of the invoice covering *all shipments* of cigarettes into Illinois during the previous month. To register, contact IDOR. In 2023, in addition

to the reports sent to IDOR, the Distributor Quarterly Report of PACT Act Transactions form must be submitted in addition to the quarterly report of NPM sales. Enclosed in the quarterly mailing is the Distributor Quarterly Report of PACT Act Transactions form.

Illinois Directories

The Illinois Directory of Participating Manufacturers and the Directory of Compliant NPMs include brand styles that have been certified under the Cigarette Fire Safety Standard Act as well as brand families certified as being in compliance with the Tobacco Product Manufacturers' Enforcement Act of 2003. In order to be lawfully sold in the state of Illinois, both the manufacturer and the brand family, as well as the brand styles, must appear together on one of the directories.

Directory changes requested by the Fire Marshal under the Cigarette Fire Safety Standard Act are included in Illinois Changes Under the Cigarette Fire Safety Standard Act. This document is posted on our website and should be consulted for additions or deletions of brand styles under the Fire Safety Standard Act.

December 12, 2023

To: All Distributors of Cigarettes

The Tobacco Product Manufacturers' Escrow Enforcement Act of 2003 provides that the only cigarettes which can be stamped and sold in Illinois are those manufactured by (1) MSA Participating Manufacturers, or (2) Compliant Manufacturers not participating in the MSA (Non-Participating Manufacturers). Both the manufacturer and the brand style must appear together on one of the Directories, an updated list of which can be found here:

<https://illinoisattorneygeneral.gov/tobacco/illinoisdirectories.html>. **The stamping and the sales of all other products is prohibited and may result in the suspension or revocation of a distributors' license, criminal prosecution or other legal action.**

Although several of the Escrow Enforcement Act provisions include requirements for Tobacco Product Manufacturers, Section 25 of the Act includes reporting requirements for distributors and provides that quarterly reports be filed not later than 20 days after the end of each calendar quarter. You will find the following required forms enclosed, which need to be submitted along with copies of all purchases and sales invoices according to the schedule outlined below:

- **Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands, which is to include both cigarettes and "roll-your-own" product manufactured by Non-Participating Manufacturers;**
- **Distributor Quarterly Report NPM Sales and Inventory Information (Dist-1);** and
- if you are an out of state licensed distributor, the **Distributor Quarterly Report of PACT Act Transactions**

Please note that our Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands and Dist-1 forms have changed and should be reviewed carefully. If computer reports are attached to the **Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands**, the quarterly report **MUST** be completed in full for each brand, including columns a-f. **Write your license number in the upper right box and provide your address and contact information on each form, along with an e-mail address.** The enclosed forms must be filed quarterly according to the following schedule:

Quarter	Date Range	Report Due
First	Jan. 1 - Mar. 31	April 20
Second	Apr. 1 - Jun. 30	July 20
Third	Jul. 1 - Sept. 30	October 20
Fourth	Oct. 1 - Dec. 31	January 20

Please return the completed forms prior to January 20, 2024.
