Chicago — Attorney General Lisa Madigan issued the following statement upon learning of the passing of Rev. Willie T. Barrow.

“Reverend Barrow was a tremendous person, with a strong spirit and an unrelenting passion in seeking justice for all. While small in stature, this ‘Little Warrior’ never shied from a fight worth fighting. She was a true public servant in every sense. We have all benefited from her courageous work, and I am proud to have known her and learned from her example. I will miss her love and leadership.”
