## Non-Participating Manufacturer Certification of Little Cigar/Cigarette

p. 2 of 2

#### **Part 3: Definition of Little Cigars**

- 1. "Little Cigars" as used in Part 2 above and Part 4 of NPM-3 refer to any roll, made wholly or in part of tobacco, where such roll has an integrated cellulose acetate filter and weighs less than 4 pounds per thousand and the wrapper or cover of which is made in whole or in part of tobacco.
- 2. Little Cigars also include any brands that continue to be taxed under OTP tax.

### **Part 4: Manufacturer Certification**

Under penalties of perjury, I state that, to the best of my knowledge, all of the information contained in the Certification and any attached documents are true and accurate and that I am a person authorized to bind the manufacturer making this certification either under the laws of the State of Illinois or of the jurisdiction where the manufacturer resides or is organized. I understand that the Attorney General may require additional information and/or documentation to determine whether the manufacturer qualifies for listing on the Illinois Directory.

This document must be signed and dated by an authorized notary public.
