Dear [REDACTED]:

This determination letter is issued pursuant to section 9.5(c) of the Freedom of Information Act (FOIA) (5 ILCS 140/9.5(c) (West 2023 Supp.)). For the reasons stated below, the Public Access Bureau has determined that your Request for Review is unfounded.

On July 16, 2024, you submitted a FOIA request to the Peoria County Sheriff's Office (Sheriff's Office) seeking:

provided a compact disc that you were unable to play on your laptop computer, so you are seeking the recording on a flash drive.

On September 30, 2024, the Sheriff's Office sent an e-mail informing you that it had converted the video onto a flash drive and that it was available for pick-up. On October 3, 2024, you confirmed to this office that you received the flash drive.

FOIA provides that a public body must provide copies of records in the electronic format specified by the requester, such as a spreadsheet or Portable Document Format, if it feasible to do so. 5 ILCS 140/6(a) (West 2023 Supp.). Your request for a flash drive identifies a recording medium rather than an electronic format. Regardless, the Sheriff's Office provided you with footage of the video on a flash drive as you expressly requested. Accordingly, this office will take no further action in this matter. If you are unable to download the recording, you may wish to seek technical assistance.
