Agenda item 1: FY2027 - Airtime Service STARCOMM21 System – Motorola Solutions for Police Radios

Eileen Pratt, PO stated that the Medicaid Fraud (MFCU) Investigations is seeking to renew airtime services associated with the STARCOMM21 System – Motorola Solutions for Police Radios.

This system consists of a statewide, digital trunked, land-mobile radio network used by state agencies, offices and other law enforcement entities throughout the state.

When we purchased these portable radios we also established a dedicated channel for OAG use. This service allows us to have direct contact with IEMA (Illinois Emergency Management Agency and IJTTF (Illinois Joint Terrorism Task Force) as well as access to common communications channels used by other county and local law enforcement agencies.

CMS established a Master Contract CMT2028589 with Motorola Solutions in 2023 which is in effect for ten (10) years. Office Services will secure a purchase order for these services for Fiscal Year 2027 at a cost of \$105,264.00.
